

Safety Care - 2024-2025 School Year Trainings

Safety Care Specialist training is provided each summer; it is your responsibility to attend a one day recertification training if you are a current specialist or a 2-day initial training if you are new to Safety Care during the summer of 2024 (even if your certification is not due in the summer).

Please register for the date that is for your particular assigned district; if for some reason that date will not work for you, please register an “open” date instead. If you need to change the date of your training after you have registered; you must email Nicole Meyer at nmeyer@iu9.org

****You MUST register via the links below!***

Training days are scheduled to run from **8:30am to 3:30pm** on the dates and locations noted below; lunch will be on your own. Please be sure to dress comfortably with sneakers.

It is YOUR RESPONSIBILITY to keep your certification CURRENT by attending a training course during the summer months. If you have any questions or concerns, please contact Nicole Meyer (814) 971-1710.
