The screenshot shows the Quizlet website interface. At the top, there is a dark blue navigation bar with the Quizlet logo, a search icon, and a 'Create' button. On the right side of the navigation bar, there is a 'Upgrade to Teacher' button and a user profile icon labeled 'gmacer'. Below the navigation bar, the main content area features a study set titled 'Ecosystems and Biomes' by user 'gmacer', which contains 60 terms. A row of icons allows for editing, sharing, adding, information, social sharing, and more options. Below this are six interactive study modes: FLASHCARDS, LEARN, SPELL, TEST, MATCH, and GRAVITY. A 'LIVE' mode is also visible at the bottom left. A 'Sign in with Google' button is overlaid on the bottom left of the screenshot.

The screenshot shows a web browser window with the URL `khanacademy.org/mat...`. The browser's address bar and tabs are visible at the top. The main content area displays a video player with the title "What is a variable?". A "Go to lesson page" link is in the top right corner. The video frame shows a hand-drawn equation $10 + \text{tips}$ in a box. Below the video, a mouse cursor points to the text: "So the tip's part right over here, we consider that, the entire word, we consider that to be a variable, from scenario to scenario, it can change." A "Next video" button is located in the bottom right corner of the video player. The browser's taskbar at the bottom shows a "screencast.com" window and a "Show All" button.

The screenshot shows the top navigation bar of the HowStuffWorks website. The logo "howstuffworks?" is on the left, and social media icons for Facebook, Twitter, Instagram, and YouTube are on the right. A search bar is also present. Below the navigation bar, a featured article is displayed. The article title is "Why Saffron Is More Expensive Than Gold". The text below the title states: "It takes up to 170,000 individual flowers to yield just 1 pound of saffron, and each individual strand, or stigma, is painstakingly picked from the flower by hand." The author is listed as "by [Jeremy Glass](#) Jun 16 2020". There is a "Learn More" button. To the right of the text is a large image of a purple saffron flower with red stigmas. Below the article is a row of five small circular icons. At the bottom of the page, there are three preview images: a neon '@' symbol, a woman's face, and a blue button that says "GET THE HOWSTUFFWORKS".

VIRTUAL TRAVEL

As efforts to contain the effects of the COVID-19 crisis ramp up, millions of people across the globe are stuck at home. To support those searching for armchair travel inspiration, *Smithsonian* magazine has compiled a collection of coverage dedicated to virtual reality experiences, digital exhibits and books that will transport you to far-off lands.

Creative

The screenshot shows the Tynker website interface. At the top left is the Tynker logo with the text "CODING FOR KIDS". The navigation bar includes "MY CLASSES", "MY PROJECTS", "EXPLORE", "COURSES", and "HELP". A green "UPGRADE" button and the user name "G. Macer" with a profile picture are on the right. Below the navigation is a "Classrooms" section with a message: "Doesn't support Google Classroom! Your Google Classroom setup may be incomplete." with a "Learn More" button. A blue banner below says "16 projects written by 20 students." with social media icons for Facebook, Twitter, Google+, and Email. Another blue banner says "New Student Dashboard Available!" with an "Explore New Dashboard" button. The "Active Classrooms" section features a "+ New Classroom" button and details for a classroom named "STEM 2016" (Grade: 5, Class Code: 96998815) with "1 Lessons", "27 Projects", and "35 Students". A "Manage Classroom" button is also present. On the right sidebar, there is a user profile for "G. Macer" (Tynkering since Jun 22, 2016) with statistics: 1 Classrooms, 35 Students, and 0 Showcases. Below this is a "New Community!" section with a "Join the Discussion" link and a "Feedback" button. At the bottom right, there is a "Resources" section.

ve & Exit Save Options

The screenshot displays the Storybird user interface. On the left, a grid of various illustrations (animals, people, objects) is available for selection. A central white box with a dashed border is labeled "Write your story here." To the right, a story page is shown with a green background, featuring a girl in a yellow sweater and blue skirt, a butterfly, and flowers. A dark grey circle with a blue arrow points to the story page with the text "Drag your art here." At the bottom, there is a dark grey navigation bar containing a "Sign in with Google" button, a "ve & Exit" button, "Save" and "Options" buttons, and navigation arrows.

Canva

The screenshot shows the Canva website interface. At the top, the Canva logo is on the left, and navigation links for File, Undo, Redo, Help, and No changes made are in the center. On the right, there are buttons for Copy of 2017 STEM Design Challenge, Share, Download, and Public. Below the navigation bar is a search bar with the text "Search 1,000,000 images...". To the left of the search bar is a "Canva layouts" dropdown menu. Below the search bar is a grid of design templates. One template is titled "DREAMERS AND ACHIEVERS" and another is "HAVE LOVE WILL TRAVEL". On the left side of the interface, there are icons for SEARCH, TEXT, BACKGROUND, and UPLOADS. A green banner with the word "Creative" is overlaid on the left side. At the bottom left, there is a "Sign in with Google" button. The main design area shows a poster for the "2017 K'NEX STEM DESIGN CHALLENGE". The poster includes the text "Register teams of 4 now! Two competitions", "4th and 5th grades", "6th-8th grades", "March 29th, 2017 4th and 5th", "March 30th, 2017 6th-8th", "at Francis S. Grandinetti Elementary School in Ridgway", and "To learn more visit http://bit.ly/2017_knex". The poster also features the K'NEX logo, a globe, and a ThermoFisher Scientific logo. At the bottom right of the interface, there is a "+ Add a new page" button and a zoom control showing "19%".
